

2011-12 Board Nominations & Elections!!

OUR SCHOOLS

The Point Loma Cluster consists of 10 schools and over 6,400 students. Cluster schools include 7 elementary schools: Barnard, Cabrillo, Dewey, Loma Portal, Ocean Beach, Sunset View and Silver Gate (grades K-4); 2 middle schools, Dana (grades 5/6) and Correia (grades 7/8) and Point Loma High School (grades 9-12).

ABOUT POINT LOMA CLUSTER SCHOOLS FOUNDATION (PLCS)

In 2006, a group of parents, teachers, and principals from each school engaged in a community dialogue which led to the desire to create a unified vision for the Point Loma Cluster. A [strategic plan](#) was developed which led to the formation of the [Point Loma Cluster Schools Foundation](#) (PLCS) serves in an advisory capacity only whose primary objective is to improve the communication and support our cluster schools enabling cohesive K-12 environment for ALL students. The PLCS serves as the representative body of 10 Point Loma Cluster Schools community to focus and communicate the vision, mission and goals of all stakeholders. The PLCS has received widespread support and participation and is consistent with the San Diego Unified School District's "[Community Based Reform Model](#)". The grass roots effort of the PLCS was the first of its kind in the district and is seen as a model for other clusters. The PLCS is a non profit 501c3 organization.

- **VISION** : The PLCS, through innovative practices and collaborative efforts, will be the model of educational excellence; inspiring passionate life-long learners, critical thinkers, unbounded achievers, and responsible global citizens.
- **MISSION:** It is the mission of the PLCS to inspire in each student a joy of life-long learning and inquiry about one's individuality, community, and the world. As stakeholders, our commitment is to sustain and support the best practices in education that empower each child with knowledge, skills and values necessary to become confident, self-sufficient adults and global citizens.
- **VALUES:** Excellence, Integrity, Innovation, Collaboration and Balance.

AREAS OF EMPHASIS: The five main strategic areas of emphasis adopted in the 2006 strategic plan are as follows:

Learning Environment: Supporting safe, caring, diverse and inclusive learning environments for all students in ways that engage and inspire students to become lifelong learners.

Learning Communities: Engage all stakeholders (*teachers, administrators, parents, and community members*) in to improving quality student learning, creating a seamless articulating curriculum, preparing students for global competency.

Information Communication Technology Literacy (ICT): Promote, facilitate and support a cluster wide vision of 21st Century skills for teachers, staff, students, parents and community members.

Marketing: Communicate the Vision, Mission and Goals of ALL stakeholders, including residents, CHOICE, VEEP families who attend Cluster schools.

Finance: Fundraising, disbursement and oversight activities of the organization.
