

Sign up for E-blasts:

At any time one can sign up by going to www.pointlomacluster.com or any of our cluster school sites and type their e-mail address in the box for e-mail sign up(usually near the upper right hand corner). Once an e-mail has been entered the choice of all schools, or groups affiliated with the high school come up. One can make as many selections as they would like.

Once anyone is receiving the e-blast they can make adjustments to their account at any time by clicking the links at the bottom of the e-blast. The links available are “SafeUnsubscribe” to unsubscribe, or “Update Profile/Email Address” to change which schools one is getting blasts from.

You can also manage e-mail from inside constant contact using the Contacts tab at the top of the home page.
