Polly Traylor stepped forward as chairperson of PLCC. Andrea Justus, Linda Jarosa and Teresa Drew will rotate as the secretary.

Polly will confirm the location, date and time of the next meeting. Tentatively the next meeting is scheduled for January 18th from 3-5 in the Correia Library. Carol Barry will invite all principals and ask each to bring one teacher representative. Each school will send a parent representative either the PTA, Foundation or Association president. Members of this group are invited to participate in the meeting as well.

Tentative agenda for January 18th meeting- introduction of core values process to the cluster learning community.

Julie will provide a brief history of our group.

Teresa will provide a brief overview on the importance of K-12 cluster unity to our cluster as well as to the district at-large.

Richard will discuss the process involved in creating a strategic plan. He will also provide an agenda, time line and facilitate a brief, open discussion.

We will break into groups and discuss the value of this process to our cluster – its validity or ideas for improvement. The following member volunteered to facilitate break out groups: Richard, Julie and Marvin (as co-facilitators), ?? Who Else????

Those who attended the area meeting on December 5th noted that our group is vital to our cluster. In a large district such as San Diego Unified a group of parents who are involved and willing to work with schools is a huge assets to our community.

If the cluster agrees to take on the core values process, a meeting in the Spring will be set and a facilitator hired. Carol Barry's office will cover expenses not covered by the cluster foundations.

Our next monthly meeting will be held on Monday, January 8th.
