

**PLCSF General Meeting
October 4, 2010**

New Business:

- Need a Learning Environment Chair
- API/AYP: See scores on the website.
 - Dianna Carberry to give a copy of a comparative report when it is done (includes several years of data and subgroups).
 - In our district we can not evaluate teachers using data—even individual student/teacher data but we have the capacity to look closer and deeper at data.
 - Cluster needs a plan to use value added metrics to improve student performance.
 - Celebration of Partnership of Correia Middle and Confucius Institute:
 - Parent President Meetings: Get an email list together and a meeting time will be decided. All presidents to give Andrea Justice name, email and best time to meet.
 - Eblast

Motion by Matt Spathas: Ask schools to voluntarily pay \$100 toward payment for Constant Contact. If schools can not pay PLCSF will pay for them.

Second: Andrea Justics

Motion passes

Old Business:

- Cluster Governance: Workgroup meeting to define what that could look like. More information to come.
- Digital Integration Plan Workgroup:
 - Scott Irwin leading this area.
 - Working toward all students entering middle schools with the same digital literacy. No scope and sequence for this at district level. Look to other schools who have developed one. (Encanto)
- Science SIG (special interest group) Grant:
 - Teachers identified certain things they would like to see to improve science programs and we asked Ocean Beach Town Council for a grant. They gave two grants (to Dana and Correia) to improve science programs. Others school may participate in this SIG group.
- Field Use Workgroup:
 - PLHS is the only turf field. Correia would like to get a turf field by using leftover prop S funds that PLHS saved by not adding lights. It looks like due to politics we will not be able to use the money. Trying to find private donors to help build several fields at Correia.

Motion by Matt Spathas: PLCSF motions to support the idea of a mixed use sports complex at Correia to serve our communities.

Second by Nathalie Humphry

Motion Passes

- Meetings Regarding Prop S Bond:
 - 19 Board meeting
 - October 21 presentation ICOC (4pm)
 - November 2nd goes back to board for final decision

Subcommittee updates/planning

- Principals:
 - September 21 principals met with Dianna Carberry. Looked at Math and how to better prepared for Algebra and Higher math.
 - Special Ed
 - Use of Technology
 - Data Analysis
 - Differentiation (Hoping for continuum K-12)
 - How will this fit in all of our elementary schools?
- Finance:
 - Need to pay for insurance and science grant. Donations accepted on the website.
 - Balance : \$1497.72
- ICT:
 - eblasts go out the 1st and the 15th. Send anything you would like to Vicki.
- Learning Communities:
 - GATE parent information rally on October from 4-8 at the Ballard Center
 - Special Education Options for college and Post High School: October 28 6-8:30 at PLHS
- Learning Environment
 - Traffic Safety: Met with all 10 principals regarding safety at their schools. Met with City and District to look at sites and determine if they can address our recommendations. Dana is top priority right now. Questions regarding individual schools go to Michelle Hebert.
 - District looking at schools that gained 30 points in API to see what was done right.
- Fundraising
 - Creating a plan to generate funding.
- Town Hall Meeting next Wednesday October 6th 7-8:30 at PLHS

- PLHS Gala: Happens every 5 years. 85th anniversary of the school. November 13th
- PLHS Homecoming Game on October 29th.
- Wednesday is walk your student to school day.

Question and Answer:

- Possible to change bell schedule and/or minimum to day allow students to attend PLHS games since they can't have late games due to neighbors
