

PLCS Executive Board
12/17/10

Title 1 Funding Changes

- Dianna Carberry to write a report for the eblast specifying effects on PLCS. Board to possibly change parameters for Federal Title 1 funds, eliminating funds for most cluster schools.

Learning Environment

- Third science meeting in January. Looking for a cluster resource to help with science prep. Dianna to check into science grant to fund someone.
- Post Patty's math message on eblast

Field Use:

- There are still options for use and lights at PLHS.
- Point Loma Nazarene is moving up in division so that changes the sports they will play. They are only interested in talking about using Barnard to build fields at this time.
