ITC Vicki Moats

- No political eblasts.
- We will address how the pink slips/changes in personnel will affect our community and our programs.
- Send eblast rules to Dianna Carburry
- May executive meeting to work on communication/eblast etc.

Area Superintendent Report Dianna Carburry:

- More teachers got laid off due to other programs being cut (ie. VAPA is cut so senior VAPA teachers get priority over less senior “regular” teachers.
- Cluster Council Meeting proposed for May. Dianna proposed that they work with cluster leaders to pick a date and a process (Nellie Meyer’s office in charge)
- Define the role of appointees/representatives for voting at the cluster level. Parent & staff reps.

Additional Meetings:

- May 6 9am-2pm @ Correia additional executive meetings to work on the empowerment framework. Doc cam for Christy

Learning Communities:

- GATE parents being rallied to protect GATE and Seminar classes
- Special Ed work group being formed to discuss concerns in our cluster
- Work on Envisions math

Learning Environments:

- Correia’s traffic improvements have been done
- Prop S meeting should be sent out on the Beacon so the whole community can be aware.
- District Maintenance should get involved in some of the parking/safety issues
