

PLCSF Meeting Notes
June 1, 2015

Crawford Facilities Use Agreement
11% of the Prop S and Z money is going to lights and stadiums

Agreement with 1% retroactive and 4% moving forward

Counseling, Nursing, smaller class sizes

Attorney's said that they can't give advice

We provide advisory services, and if that is all we do and are not but once we become 501c3 - we do need insurance

PTO Insurance
Disband the 501c3, and take contributions through the Pointer Association

June 13th event
Marco will talk to rentals –
Marvin – can we extend the insurance for the additional time

Local Kiwanis Club that could take us under their wing

Peninsula Community
Advisory is just as valuable

Area 3 ELST
The Chicano Education Pipeline
How we are serving our English Language Learners
Long-term ELLs are not proficient

We have 529 ELL in Pt. Loma
Long-term English Learners 70 at PLHS 2013-14 CELDT data

- Tier I instruction – first best instruction

Perception is across the District that if there is an ELL in your class, the ELST is responsible for instruction
Need a lead teacher with the right professional development

ELSTs in Area 3 –

Capacity-building model

How are we organizing for that?

- Collaboration model
- Elementary schools can have the small group instruction, because they are already set up to do so
- Some school sites are self-sustaining
- One person will oversee and be the contact person for the Cluster
- Additional staff (Eden, Sandra, Parry, Rosina, Teri) will be helping out with compliance
- Working Collaboratively with PLC teams
- QTEL –
- ELSTs are attending the same Professional Development that the principals are receiving.
- ELST handbook – At A Glance Timeline...
 - Seasons of work, calendars,
- Only two OLA resource teachers who can certify in QTEL
- Current ELSTs will also help facilitate the ELAC

Cluster ELAC – Ocean Beach, Dana, Correia, PLHS has got a Cluster model in place and they are working on getting more parents involved

- Dana EL Coordinator, Correia VP, VP at Dana, ELST from PLHS
- Even if a student has been reclassified the parents are still able to attend the Cluster ELAC
- How are we reaching out to Cluster parents to let them know about this?

July 1 is the beginning of this new plan for ELSTs

Planned PD for this core group of teachers on coaching, because this is new work for them

ELACs also provide professional development for parents

Principal's Update

Calendar alignment – Elementary school Back to School Nights are all on the same night...

PD with ELSTs for the teachers – Miriam and Kelli have worked in the PL Cluster

- PD can be planned with ELLs in mind
- Principals will

Start times will change at Loma Portal and Dana. The time will not change for Sunset View

Principals meeting has been put on the calendar to discuss concerns brought to them

Dana recently hosted Principals from around Area 3

½ day Principal conference was hosted at PLHS

- Central Office staff and half the Principals in the District were there.
- Placement of students, specifically detracking – it's a big shift in secondary education

Jackie McCabe is leaving us.

- Principals shared the desire for
