Notes

2002-03 was the second year that Point Loma elementary schools had changed from K-5 to K-4, and Dana changed from 6th grade only to 5th & 6th. Barnard was K-4 until 2009-10. Dewey's 2002-03 enrollment was artificially low because the military family housing in its boundary was being rebuilt.

- 1 Equals the total number of 'grade appropriate' students (e.g. K-4 for Cabrillo; 9th-12th for Point Loma HS, etc) attending any SDUSD school who live in the school's attendance boundary.
- 2 Equals the proportion of the Total SDUSD Students in Boundary who choose to attend the school whose boundary they live in.
