

## **iHigh Virtual Academy**

provides a rigorous college-prep online program for both fulltime and dual-enrollment SDUSD students in grades 9-12, including core courses, Advanced Placement courses, credit recovery options, and elective courses.

Fulltime program is “blended,” combining face-to-face and online instruction. iHigh teachers are available on campus for daily academic support.

Core courses are UC a-g approved and NCAA-approved.

Complete information, including a detailed course catalog, is available on the iHigh web site: [www.sandi.net/ihigh](http://www.sandi.net/ihigh).

Students interested in fulltime enrollment should submit the online application. Students interested in dual enrollment should contact their counselor to enroll.

## Enrollment and College Admissions

- iHigh serves students from all SDUSD high schools, plus fulltime students from across San Diego County via interdistrict transfer.
- Priority enrollment for military students, both fulltime and dual enrollment.
- 100% of core courses are UC a-g approved, meaning these courses are accepted for both Univ of CA and Cal State Univ admissions.
- Core courses are NCAA approved, for student athletes applying to Division I or Division II schools.

Information on Summer 2016 classes will be posted when available at:
